Dear Sir,

Will you kindly give me information as to my homestead being protected if I stay in this Country working on munitions for the duration of the war or less time; I have been on Active Service with the 49th Battalion, C.E.F. in Belgium and France, and have just been discharged at Bath as unfit for further Service owing to a fractured leg, but am not disabled for ordinary civilian life; the reason I took my discharge here, was for the purpose of seeing my Father and Sister, as I had not seen them for over 10 years, I could not get leave before I went to France, nor since as I was in convalescent Hospital until my discharge. If my Homestead is in danger of cancellation by remaining here for a limited time will you in that case furnish me with passports to enable me to leave the Country and I should esteem it a great favour if you could furnish me with free transportation or a reduced rate as a discharged soldier. If my Homestead is safe the Government can probably use me for munition work. I enlisted to be of service to the Country and the Empire by coming over here, trusting you will provide me with the information desired.

I am, etc.,

(Sgt) H.H. BENDALL.

P.S.

Filed on homestead June 2nd, 1913 and put 2 months residence on it that year, and 6 months residence in 1914, and built a log house and done some breaking, and enlisted in Edmonton, Alta. Jan. 18/1915, the Land Dept. agreeing to protect the Homestead during my Service, will you kindly return discharge paper and Homestead receipt enclosed.

Figure 1 consists of two line graphs. The left graph plots 'Rate of reaction' on the y-axis against 'Temperature / °C' on the x-axis. The x-axis has markings at 10, 20, 30, and 40. The curve starts at a low rate at 10°C, rises to a peak at 30°C, and then begins to decline at 40°C. The right graph also plots 'Rate of reaction' on the y-axis against 'Temperature / °C' on the x-axis. The x-axis has markings at 10, 20, 30, and 40. This curve shows a steady, exponential increase in the rate of reaction as the temperature rises from 10°C to 40°C.

As we have been informed that this is Crown Land, we should like to be advised of its present standing and whether it is likely ever to be used again for farming purposes.

Re: Account of, Albert E. Johnson
N.E. 26-12-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to \$8.00 was advanced to Albert E. Johnson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 88.00	\$ 202.78	\$ 290.78

The N.E. 26-12-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 3rd of April 1924 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 15th of August 1952, V.A. Reed, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"In reply to your letter dated the 15th instant, I would advise that the above quarter section is Crown land, presently held under long term grazing lease by Herbert Thomas Hargrave, of H.A.S.H., Alberta.

According to our Inspector's report, which was secured at the time the above lease was renewed, namely in June, 1948, this land is well suitable for grazing purposes, and it is not likely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

14th November, 1929.

Sir,-

S.S. 4

Sec. 15 Tp. 21 Rge. 5 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

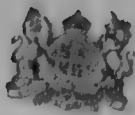

Your obedient servant,

Sir, - *13/4/28*
DEC 1923

N.W. $\frac{1}{4}$ of Sec. 6 Tp. 65 Rge. 19 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided you are aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Carl John Donelson, Esq.,
Boyle,
Alberta.

Acting Commissioner
of Dominion Lands.

P.S. The S.W. $\frac{1}{4}$ 6-65-19-W.4th M. is included in lease of P No. 8245 and is, therefore, not available for entry. Should land be leased to you, in the event of you relinquishing you will be allowed no priority as the land will have to be in accordance with the regulations.

OTTAWA,

31st July, 1928.

Sir,-

S. 3. Sec. 35 Tp. 59 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to my Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Kenneth McCormick, Esq.,
Flat Lake,
Alberta.

Acting Commissioner
of Dominion Lands.

P.S. The fact that you hold a soldier grant will not disqualify you in regard to obtaining a second homestead under the recent amendment.

TO THE HON. MEMBER:

Application of Mr. M. A. Trindle on behalf of the Hudson's Bay Company to purchase Trac. S. 16, 62, 2, 4th Meridian containing 149.60 acres, bordering on Beaver River.

This fractional quarter section upon which it is stated the Hudson's Bay Company's tract at Seal Lake has been situated for many years is understood of according to the records of the Department and adjoining the fractional . . . of the same section which has been reserved for selection by the Hudson's Bay Company on account of exchange for Hudson's Bay land in timber belt and forest reserves.

According to the practice of the Department land may be sold at a time when it is not necessary to sell at a selection place thereon by a forested Inspector.

In the present instance, however, to suggest that instead of being sold to the Company, the quarter section be included in the list of land reserved for the Company on account of exchanges in lieu of the . . . adjoining which is included in the list.

Respectfully submitted,

Controller.

Dear Sir :-

On the 5th of January 1914 I filed on the North West of Section 23 - 22 - 24 - West 5th at Peace River and besides doing residence duties I made the following improvements.

| | | |
|--|-------|---------|
| 10 Acres Broken | Value | \$40.00 |
| Log House 20 x 24 | " | 200 00 |
| 500 Tamarac fence posts shaves ready for use | | 50 00 |
| Well, 37 feet deep | | 50 00 |

Total Value in \$340.00

In 1916 owing to sickness of my wife I had to leave the district and was told by the Land Agent that my Homestead would be protected. I enlisted during 1917 in the Canadian Engineers C E F and served overseas until my discharge in November 1919.

Before enlistment I received a notice of Cancellation which was dated about three months earlier than the date I received it and therefor had no chance to protest as it had already been filed on. I understand by an Austrian, who cancelled it.

I have never received any thing for the improvements on this land and would like to have you take the matter up and if the value of my improvements have been paid by the present contract, I would like to receive same in order to enable me to start again also will you kindly send me permission to file on another Homestead as I wish to make an entry in this district.

I am shown on the Peace River records as W E Harver, my correct initials are C E Harver, My reg # is 3207279 Canadian Engineers.

Yours truly,

C E Harver

DOMINION LANDS BRANCH
SEP 4 1928

Sir,-

N.W. 1

Sec. 21

Tp. 77

Rge. 21

West 5th. Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1924, the right to take a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are interested in this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Ovila Sabourin, Esq.,
M.L.A.,
Alberta.Acting Commissioner
of Dominion Lands.

Ref.-#479.

13th July, 1928.

Sir,-

S.E. 1 of Sec. 36, Tp. 77, Rge. 21, West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1928, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

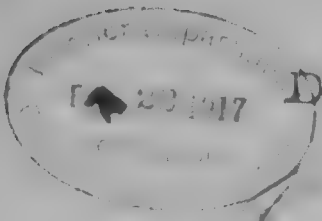

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Oliva Giroux, Esq.,

Soldier Settlement Board

Canada

File No. 4-3498.

Memorandum:

OTTAWA - JUL 3 1932

Request for Title under Order in Council of the 4th June, 1931, where duties completed by soldier settler.

Re: Edward Wise,
S.W. 1 10-57-5 W.4th M. (S.G.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 7th July, 1931, the settler secured advances from the Board totalling \$1000.00, as follows: stock and equipment, \$200.00; permanent improvements, \$150.00; special advances, \$350.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is title to the N.E. 1 10-57-5 W.4th Meridian, the settler's former homestead.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 20th May, 1932.

The regulations approved by the Governor in Council on the 4th June, 1931, P.C. 1531, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date. He is living with his parents on adjoining land.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W. 1 10-57-5 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
Ottawa.

Re: Account of R.T. Campbell
S.E. 33 & S.E. 34-20-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to \$104.75 were advanced to R.T. Campbell on the security of the above mentioned land. A payment of \$34.65 was received in 1916 and applied to the principal and interest. The present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 70.16 | \$ 127.84 | \$ 198.00 |

The S.E. 33 & S.E. 34-20-4-W4 were formerly the Homestead entry and production of the debtor whose entry was cancelled on the 1st of July 1921 and the land is still unalienated Crown land held in the right of the Province.

In reply to our investigation of the 7th of February 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and in such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the balance of the indebtedness be cancelled.

BOARD ORDER

No. 825

133-R-8

September 27, 1943

R. M. Bouter,
Chairman,
Board of Relief and Aid Board,
New York, N. Y.

Dear Sir:

Re: 2-22-4-est 4th Meridian,
Joint Relief Board, N. Y.

In the year 1942 this Board advanced for Joint Relief a total sum of one hundred and fifty-one dollars and fifty-five cents (\$151.55) against which no repayments were made and the amount outstanding with interest computed to March 31, 1943 is two hundred and forty-eight dollars and thirty-three cents (\$248.33).

These advances were authorized under Mr. Bouter's personal guarantee, but a check letter obtained from the bank in New York shows no trace of any loan being made. The Board is standing in the name of a one dollar fund for all emergencies other than a cash notification, and the Board is being asked to brown back clear of these advances.

The Board has been very busy and moving no funds and it would be impossible to get the account in order. I would recommend that it be written off.

Provided that the amount of eighty dollars and sixteen cents (\$80.16) has already been called.

Yours very truly,

Dear Sir:

Re: 21-2-22-2-West 4th Meridian,
Old Joint Relief. Grant A. Hough.

In the year 1922 this party obtained advances for Joint Relief in a total sum of one hundred and fifty-five dollars and fifty-five cents (\$155.55) against which no repayments were made and the amount outstanding with interest computed to March 31, 1931 is two hundred and forty-eight dollars and thirty-three cents (\$248.33).

These advances were obtained when Mr. Hough was farming the above described land, but a Search Letter obtained from the Land Titles Office shows no trace of any lien being extant. The R. L. Hough after standing in the name of the one against whom the S. L. Hough was standing other than a Tax Notification, and the S. L. Hough being shown as Crown Land clear of encumbrances.

The Houghs have since been leaving no estate and it would, therefore, appear that the account is valueless. I would recommend that it be written off.

Prorated Seed Grant in the amount of eighty dollars and sixteen cents (\$80.16) has already been paid.

Very truly,

Re: Account of Samuel Grant Hough,
E. 2-22-8-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1918 seed grain, fodder and relief amounting to \$236.63 were advanced to Samuel Grant Hough on the security of the above mentioned land. A payment of \$1.60 was received in 1927 and applied to the interest. The present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 236.63 | \$433.08 | \$ 669.71 |

Patent was issued in the name of Samuel Grant Hough for the N.E. 2-22-8-W.4th on the 28th of July, 1921, subject to the liens. The S.E. 2-22-8-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 8th of May, 1929, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This is unalienated Crown land occupied at present under grazing lease as issued by this Department. This land is situated in that part of the Province designated Special Areas. In view of which fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

I am of the opinion that the above noted man should be invalided to Canada for the following reasons:

1. Because of cardiac hypertrophy.
2. Since breaking down May 18th. 1917, his responses to effort has not been sufficient for any continued duty in the Army and under physical exercise he has not done well on account of the possibility of the presence of mitral stenosis.

Sir,

I am to acknowledge the receipt of your letter of the 14th June last, in which you state that on account of the nature of the soil you will be unable to bring the required area under cultivation on the East half of section 15, Township 30, Range 4, East of the 4th Meridian, and in reply to say that the regulations now in force permit the substitution of stock in lieu of the necessary cultivation unless where it is shown by a Homesteader's report that the required area cannot be broken.

A copy of this communication is being sent to the Agent of Dominion Lands at Calgary, with a request that he instruct a Homestead Inspector to report what part of the vicinity in regard to the nature of the soil, and what area can be brought under cultivation.

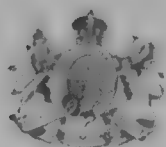

I enclose herewith for your information a circular showing the recent changes made in the regulations.

Memorandum

Mr. Huro.
To ~~Mr.~~ 17-30-2-24 1.
Vacant.

The Agent at Calgary reports under date of 26th ultimo, that he has received an application for homestead and pre-emption entry on the above described land from one Reinhart Reich. The Agent states that having some doubt as to the nationality of the applicant he requested him to furnish his passport or certificate of naturalization.

The Agent submits a letter which he has received in reference to the letter from Willard Winn, and a statement executed by Reinhart Reich, which kindly see hereunder.

Mr. Reich in his statement deposes that he is a subject of Russia and that he came to Canada about the 1st February, 1914 at which time no passport was required.

Mr. Reich also states "I have to-day signed application paper for naturalization papers to be held until the 1st January, 1917 at which time I will have been in Canada 3 years."

Judging by the name this man is a German. It is possible, however, that he may be a subject of Russia as claimed but his statement that he was able to legitimately leave Russia without obtaining a passport is not correct.

Also his statement that he was able to make application for naturalization before he has been 3 years in Canada, is doubtful.

If Mr. Reich is a Russian subject, he should be able to establish this fact by producing a certificate from the Russian Consul at Montreal.

The regulations relating to conflicting claims by adjoining settlers will be found in full on the back of this notice.

ON THE SUCCEEDING DAY (namely the 14th day of) and thereafter, unless entered for or reserved by an adjoining "settler," the land will be available:

a. for entry as an ordinary homestead by any person eligible to make homestead entry who is active service in the Naval or Military Forces of His Majesty, or who has been honorably discharged therefrom. Men belonging to, or discharged from, the Armed Forces cannot homestead on the land reserved for soldiers unless they were British Subjects, resident in Canada before the war and have not exhausted their homestead right.

b. for entry as an ordinary homestead by a "Settler" as defined below, provided he is eligible to make homestead entry.

c. for entry as a soldier grant by a "Settler" as defined below.

The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry, unless made by proxy, may be made either at the office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Proxy entry must be made at the office of the local Agent or Sub-Agent. For proxy regulations see Dominion Lands Handbook.

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry or reservation, he shall declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry or reservation shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against the land \$ If 0.7 amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount so as to make up the full amount of indebtedness.

RECEIVED BY R.S. 26/4172

Mr. C.K. LeCapelain,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Alfred C.A. Dietz,
S.E. 13-30-2-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to \$38.50 was advanced to Alfred C.A. Dietz on the security of the above mentioned land. A payment of \$20.20 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 19.45 | \$ 35.35 | \$ 54.83 |

The S.E. 13-30-2-W.4th was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1915. His entry was cancelled on the 6th of October, 1916. The land was later re-entered upon by a Mr. P.J. Farley whose entry was cancelled on the 16th of June, 1924.

The land has apparently since been patented and is presently registered under title in the name of George E. Wood, and there is no record of the lien having ever been registered against the land.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

C.W. Gilchrist

Re: Account of Alfred G.A. Dietz,
S.R. 13-30-2-w, 4th.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dominion Member.

Dear Sir:

Re: S. 19-30-2-1.4th.

This Department has an old account against the above noted land for advances of seed grain to Alfred C.A. Dietz in 1915. We are endeavouring to settle these old accounts and it would be appreciated if you could supply us with an up-to-date Abstract of the Title of this land.

Yours very truly,

LeCaplain

Mr. C.K. LeCapelain,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Alfred C.A. Dietz,
S.E. 13-30-2-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to \$38.50 was advanced to Alfred C.A. Dietz on the security of the above mentioned land. A payment of \$20.20 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 19.45 | \$ 35.35 | \$ 54.83 |

The S.E. 13-30-2-W.4th was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1915. His entry was cancelled on the 6th of October, 1916. The land was later re-entered upon by a Mr. P.J. Farley whose entry was cancelled on the 16th of June, 1924.

The land has apparently since been patented and is presently registered under title in the name of George E. Wood, and there is no record of the lien having ever been registered against the land.

As the lien was never registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

Re: Account of Alfred C.A. Dietz,
S.R. 13-30-2-w.4th.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

C.K. LeCaplain,
Dominion Member.
